

JR Microsystems, LLC

www.jrmicrosystems.net

Servicing Education is our mission

We are a woman minority owned business, we have more than 10 experience serving Government and Education Institutions, we carry all major manufactures, our mission is to provide the best pricing and services to all our clients.

Our commitment:

To provide timely delivery: By working with multiple sources, having the flexibility of sourcing of products.

To be a trust resource: By being available for our clients when they need us.
